

A large, dark-colored, corrugated metal hot tub is the central focus, filled with clear blue water. It sits on a light-colored concrete pad. To the right, two wooden lounge chairs with light-colored cushions are positioned under a rustic wooden pergola. The scene is set in a garden with various green plants and trees. The sun is low on the horizon to the left, creating a warm, golden glow. The word "Chillzz." is written in a large, white, serif font across the middle of the image.

AUSTRALIAN POOL

Australian character, designed for modern outdoor living.

Bring the unmistakable look of the Australian countryside into your garden. Inspired by the traditional corrugated water tanks found across rural Australia, this distinctive above-ground swimming pool combines industrial character with contemporary comfort.

Made from strong corrugated steel, the pool creates a striking centrepiece for gardens, terraces and holiday properties. It can be installed freestanding, partially integrated into landscaping or incorporated into a surrounding deck.

Comfortable, waterproof interior

A custom-made, heavy-duty pool liner fits inside the corrugated steel structure.

The liner is available in different colours, allowing you to personalise the appearance of the water and coordinate the pool with your outdoor space.
